## ABOUT US

KGN UNIQUE TECHNICAL SERVICE LLC specialises in designer philosophy with complete solutions required to attain the best in all projects. We have been working with Architects, Designers and different contracting companies keeping in view the deadline and contributing to the best quality and craftsmanship in delivering the project. We do not compromise in quality of work. Our aim is to deliver top class pristine quality.

## DIRECTOR'S MESSAGE

" I started my career ,in the year 30 march 2007 . During my tenure from 2007 till present, I have put on a vast experience in knowing the technicalities of a project and was fully involved in quoting and winning the project. Keeping in view the price and not compromising the quality of the products involved in the project, the quality was delivered.

During my journey ,I closely supervised all the jobs and also has been myself involved in completing of project without delays meeting the deadlines.

KGN Unique Technical Services LLC establish in the month of Sept 18th 2017.Mr. Saif launched this company with all his experience in order to service the clientele in the UAE.

Since, Sept 2017 the company has executed 5 projects we have a few more undergoing in the pipeline."

I also was scheduling the manpower in various projects keeping in view the client's urgency. Communication which is the main role in executing the project has been his core duty. The clients requirements discussed had to be communicated and implemented on site.

"I never dreamed about SUCCESS,I worked for it"
